Welcome,

Your child is enrolled in art classes at Creative Originals By Roxenne Art Studio. I am so excited to have them in one of my classes.

I have some safety guidelines in place to help protect your children as well as others. My art studio is in my home, so I will be conscientious to follow these measures to protect everyone. I want to make sure you understand my plan that I have laid out in the pdf document below.

I plan to conduct classes as scheduled with social distancing. I can fit approximately 10 students in my studio at this time most likely it will be full. Thank you for taking the time to look over the documents. Please sign the Release of Liability form and send it with your child to the first class. You may mail it beforehand if you wish.

I am so excited to meet your child and watch their creativity grow.

Sincerely,

Roxenne Kendall

Release of Liability

I, (print parent first and last names) _____, parent of

(Print student's first and last name) _____, will not hold Roxenne Kendall or Creative Originals By Roxenne personally or financially responsible in the event that my child gets sick or encounters an accident or injury while attending an art class.

I understand that I am sending my child to in-person classes with risk of possible exposure to Covid-19, though all disinfection and social distancing precautions have been taken to protect the students in attendance.

I also agree to keep my child at home if they are experiencing any symptoms of illness.

I have read the safety guidelines and agree to these terms.

Studio Safety Plan

1. Parents will be asked to sign a waiver stating they will not hold Creative Originals by Roxenne or Roxenne Kendall responsible for illness or accidents, should their child become ill during a class or have an accident. In addition, they will keep their child home if there are any symptoms of illness. If your child attends class with any noticeable symptoms, I will contact you to come back to pick him or her up.
2. Masks are not required, but feel free to send your child in a mask if you prefer. I will not be wearing a mask as I teach.
3. Hand sanitizer will be at every art station. Students will wash hands with soap and water upon arrival.
4. Materials will not be shared between students. They will have a dedicated container of supplies for use each day. Materials will be sanitized after each class.
5. Students will be seated 2 per table with assigned seats for the week. Siblings will be seated next to each other. They may sit with friends that signed up for the class.
6. Paint shirts are required. Please have your child bring an old shirt with their name on it. It will remain at the studio and the child will take it home at the end of the week.
7. Tables and chairs will be disinfected after each class. Bathroom door handles and fixtures will be disinfected after each class.
8. Student pick-up will be vehicles lining up along the passenger side to the driveway. This allows the student to enter and exit the vehicle along side my driveway and not crossing the street. That means the vehicle will be facing North and my driveway is on the east side.
9. Parents, please line up behind each vehicle and wait for your child to come out to your car. In the event of rain, the child will watch for you from inside and come out to you once you have pulled up to the driveway.
